EXPERIENCE

• NHS Supply Chain

Digital Executive

September 2023 - Present

- Working within the wider Marketing and Communications team: creating brand assets, developing visuals for projects and website improvement with a focus on design and user experience (UX).

• Freelance Graphic Designer

January 2020 - September 2023

- I started by selling artwork at local markets and then became available for design work, artworking as well as coming up with concepts.
- Example of projects: www.annareuben.co.uk/atrium and www.janicerider.com (Wordpress site built from scratch)
- Since October 2021 I have been working with Women in Tech Birmingham, a networking group, producing digital assets to promote their events as well as developing marketing approaches.

• Method Creative Agency, Stourbridge, West Midlands

Graphic Designer

May - November 2022

- Layout work for print: bathroom catalogues, dump bins, exhibition stands, office stationary.
- Building and editing Wordpress websites and emails.
- Clients include: Bristan (bathroom taps etc.), Bowman (industrial bearings), Connaught (CCTV and door security systems)

• Birmingham City University

Programme Administrator

August 2018 - January 2020

- Administration for PhD students in the Art, Design and Media Faculty. Arranging vivas and exam boards.

Anna Reuben

I N T E R E S T S

I am a keen musician and sing / play piano in a folk duo. I have always been involved in choirs.

I am interested in international travel, often involving cycling/hiking routes. I worked in a summer school in South Korea and have been involved in community volunteering projects in Senegal and Bulgaria.

For several years I was an Airbnb 'Superhost', welcoming guests from all over the world.
